## Researchers are united!

**To the attention of authors of "Research Journal of Drohobych Ivan Franko State Pedagogical University. Series "Philology" (Linguistics)" No 20!**

Editorial board of Research Journal of Drohobych Ivan Franko State Pedagogical University. Series "Philology" (Linguistics) is looking to cooperate with specialists who study the topical issues of contemporary linguistics and translation studies associated with the development and functioning of Germanic, Romance, Slavic languages and reviewers of new monographic editions and study guides, as well as authors of announcements about national and international scientific events.

Materials for publication are submitted in Ukrainian and relevant foreign languages (Germanic and Slavic). **Students manuscripts** have to include the written review of a research adviser affixed with the HEI seal.

Research Journal of Drohobych Ivan Franko State Pedagogical University. Series "Philology" (Linguistics) is a professional edition (category "B") on philological sciences (specialty 035 – Philology) **on the basis of** [the Order of the Ministry of Education and Science of Ukraine No 886 dated July 2, 2020 \(annex 4\)](#).

- The journal is included into the international database **Index Copernicus International** (the Republic of Poland).
- Every article published in the Research Journal of Drohobych Ivan Franko State Pedagogical University. Series "Philology" (Linguistics) is awarded **DOI**.

### **Requirements for articles composition**

1. A manuscript should be presented in the format \* .doc (MSWord): Times New Roman font, size 14, line spacing 1,5, margins: left, top, bottom – 2,5 cm, right – 1 cm. Paragraph indentation – 1,25 cm. It should be clearly differentiated dash (–) and hyphen (-).
2. The article must have UDC, summaries and key words in Ukrainian and English.

Summaries and key words are placed before the article text (font size 14, line spacing 1,5, italics, key words – semi-bold).

Ukrainian and English summaries must include a short presentation of the conducted research stages (the summary text can't directly repeat any fragments from the body text) and has to involve at least 1800 characters (without indentation or so-called “white space”. The English summary has to contain author's surname and initials, and the article title.

Articles must have such obligatory elements (semi-bold in the article text):

1. Defining the problem and argumentation of the topicality of the consideration;
2. Analysis of recent researches and publications;
3. Setting the goals and tasks of the article;
4. The outline of the main research material;
5. Conclusions and directions for further research in this area.

3. To highlight citations in the text, it is necessary to use quotes like: «повсюдне домінування Інтернет ресурсів» [2, 444]... (in Ukrainian text) and “neologisms” (in foreign text). References to theoretical sources are presented in the text according to bibliography list in square brackets, for example:

- 1) one source [2, 444–445];
- 2) two and more sources [4, 154; 6, 768];
- 3) a source without indicated page [2].

Illustrative material is in round brackets: (8, 15).

4. Illustrations (schedules, graphs, diagrams, etc.) should be numbered within the article and accompanied by a name below them (for example, Drawing 1. Basic categories of narrative sentences). Tables are also numbered within the article and accompanied by a name above the table in the centre.

5. Examples of illustrative materials are highlighted with quotes and italics. An example that contains more than one sentence is placed as separated paragraph with 15 mm indentation at left, for example:

*He coughs and splutters on the other end of the telephone. He has fallen out with all his friends over this. If needs be he will disown his daughters. He will stand alone against the world-alone apart from the beautiful woman by his side (14, 123).*

6. List of cited sources (BIBLIOGRAPHY) has to be in alphabetic order and meet the state bibliographic standards ([DSTU 8302:2015](#)) – 12 point size (line spacing 1,5) – after article text, following such sequence of presentation:

- 1) theoretical materials in Cyrillic;
- 2) theoretical materials in Latin;

3) **DICTIONARIES AND REFERENCE MATERIAL** (it is necessary to use consecutive numbering or to start an item with conventional symbols a scientific paper);

4) **SOURCES OF ILLUSTRATIVE MATERIALS** (numbered separately).

**The citation of sources published in Russian in any country or published in other languages on the territory of Russia and Belarus, as well as the inclusion of these sources in bibliographic lists, is prohibited in the text of articles.**
